

Together For Wellness 2022

Comunidad Connect is a registered non-profit established in 2007 whose purpose is to alleviate poverty and create sustainable change in Nicaragua, Dominican Republic, and the United States. CC programs focus on Health, Wellness, and Economic Development with initiatives providing primary and preventive health care, home construction, agricultural production, youth sports, clean water, and sustainable household technology. Thousands of men, women, and children directly benefit every year from Comunidad Connect programs.

Together For Wellness 2022 is an annual campaign to raise awareness and resources for Comunidad Connect's health and wellness programming in Central America and the Caribbean. Proceeds support a continuum of care for vulnerable patients (many of them children) in Nicaragua and the Dominican Republic that live with a range of physical and cognitive challenges including epilepsy, paralysis, head trauma, autism, and leukemia.

7th Annual Comunidad Connect Masquerade is a fundraiser event that brings together CC's broad community of support to celebrate the impact we create with community partners in Nicaragua and the Dominican Republic. Donors, volunteers, academic partners, board of directors, staff, and their friends and families gather once a year in Atlanta to enjoy a great party while building solidarity with people who need our special support in vulnerable communities in Central America and the Caribbean.

Event Overview

On October 15, 2022, Comunidad Connect is hosting its 7th annual fundraiser and this year the theme is a masquerade! The party will be an in-person event at The Lost Druid brewery in Avondale Estates, GA with attendance expected to be 100 - 150 people. Live music, food, drinks, silent auction and special presentations throughout the evening (7-10pm). Tickets to the 7th Annual Masquerade are \$100 and sponsorships are available for discounted admissions and other incentives. Our 2022 fundraising goal is \$150,000.

All funds raised during our Together For Wellness campaign will sustain our current humanitarian programming in Nicaragua and expand our impact in the Dominican Republic. Nicaragua is the second poorest country in the hemisphere and our work increases access to critical health services like special needs patient care, community health promotion, pediatrics, and OBGYN. Funds will also support home modifications for occupational and physical therapy patients living in precarious environments in the mountains of the Dominican Republic.

The Lost Druid Brewery is a modern gastro brewery featuring 20+ taps of house-made craft beer and hard seltzer plus a small-plate artisan kitchen. Named Best New Brewery 2020 by Atlanta Magazine and Best Small-Town Beer Scene in America (USA Today 2021).

Sponsorship Information

Individuals, families and businesses are invited to sponsor our Together For Wellness campaign and its culminating event – The 7th Annual CC Masquerade Party. Please see below for sponsor levels and their associated recognition and impact incentives.

As a sponsor, you generate funding to continue and expand our programming in Nicaragua and the Dominican Republic. “Impact Incentives”, like home modifications, are included in each sponsorship level to connect you personally with the people who need your help the most. To learn more about the people and communities that benefit from your support, contact jon@comunidadconnect.org.
